

We Are Waltham Forest model motion

1. This branch notes with deep concern the racist English Defence League's plans to stage a provocative demonstration in Walthamstow on 18th August with the aim of stirring up racial tension in our community. EDL marches are always accompanied by intimidation and violence against ethnic with minorities and anti-racists.

2. This branch believes that all those who oppose racism and fascism need to stand united against the EDL. We therefore warmly welcome the launch of We Are Waltham Forest, a broadly based campaign against the EDL.

3. This branch resolves to:

- (a) Affiliate to We Are Waltham Forest;
- (b) Send delegates to organising meetings;
- (c) Support and publicise protests and public meetings amongst our members;
- (d) Make a donation to WAWF.

(Cheques should be made payable to Waltham Forest UAF and sent to We Are Waltham Forest c/o Gerard Lyons, 42 Bateman Road, Chingford, E4 8ND).
